CREW Awards Program on schedule for June – Who will win your nomination?

Award recipients at last year's luncheon

Our CREW Atlanta members represent every aspect of the commercial real estate industry including law, leasing, brokerage, property management, finance, acquisition, project management, consulting and engineering. In recognition of our impressive membership base, CREW-Atlanta holds an annual awards program each June to recognize the outstanding contributions and achievements of these members and Companies. The CREW-Atlanta awards highlight individual accomplishments as well as recognize those who have used the CREW network to enhance their careers. In addition, Companies that have supported the efforts of CREW are also recognized. A number of these nominations are also submitted to CREW Network for national recognition. What a great way to showcase talent and gain professional recognition!!!!
