## EXTREME MAKEOVER: CREW-Atlanta Website

Have you ever wished you could navigate through the CREW Atlanta website a little faster, going straight to the favorite pages that you use? CREW's Website subcommittee has been busy remodeling the site in order to make that wish a reality! Through a series of meetings beginning in the fall of 2008, the website subcommittee discussed items such as simplifying the navigation to key pages; better use of the home page space; features to be added; pages to be updated as well as the overall visual appeal of the site. The team worked with a local web developer reviewing and updating each individual web page and coordinated the revisions with CREW Network. After submitting test pages to the CREW Atlanta board for review, the changes were approved and incorporated. In essence, the CREW Atlanta website has received an extreme makeover and now is ready for the big reveal.

The new home page, [www.crewatlanta.org](http://www.crewatlanta.org), now reflects the most noticeable improvements. On the right-hand side, there is a series of ten buttons linking to frequently used web pages. The Flash centerpiece features a photo rotation of our own CREW members at recent events.

Below is a summary of the new buttons and what they do:

- **Membership**—Links to Benefits of Being a Member and How to Become a Member.
- **Lunch/Event Registration:** Links directly to the online registration form.

- **Calendar:** Links to Upcoming Monthly Events & Luncheon Programs.
- **Charity/Donations:** Links to the Capital Campaign page, with information on the campaign, CREW scholarships, and a link to the pledge form.
- **Committees:** Links to the list of CREW Atlanta's seven committees. Each of the individual committee pages feature a short explanation of the committees purpose, the committee chair contact information, and now the ability to post committee-specific events and other pertinent information.
- **Newsletter:** Links directly to the online archive of Crew At A Glance newsletters.
- **Merchandise:** Links to CREW merchandise -- coming soon!
- **Members Only:** Links to the Members Only section of the site, which contains information on members, meeting minutes and financial reports.
- **Accolades:** Links to the scrolling accolades area, a new feature that allows us to recognize our members' many achievements.
- **Photos:** This area will display thumbnail photographs from various CREW events throughout the year. Click on the thumbnail for a larger version.

In addition to the new home page and navigation buttons, you will notice the new coordinated color scheme throughout the site and several new testimonials from current members. The Website subcommittee is eager to show the results of their hard work. Please log on soon and see where it leads you!

## CREW Atlanta Thanks Our 2009 Sponsors:

### SUSTAINING:

The Coca-Cola Company  
Leapley Construction Group of Atlanta LLC  
LCG Real Estate Services Corp
