

CREW ATLANTA's Public Policy Initiative

Every Person Counts and Numbers Have Influence

How often do we jump into our cars and follow our calendars to where we need to be today? The idea of moving through our day (and city) as efficiently as possible, in our cars, is one of those givens that goes without thinking. That's the way Atlanta has evolved, and the ability for us to opt for alternative means of transportation is limited, nonexistent or inconvenient. Of course, given Atlanta traffic, our cars are no guarantee that we will actually go anywhere!

CREW Atlanta's Public Policy Initiative is focusing attention on how all of us can make small changes to improve the transportation issues that limit the city's attractiveness as a great place to live and work. ([Click here to read more](#))
