WANTED: Committed, Motivated, and Well-Connected Members for the CREW Atlanta Programs Committee

Are you ready to get more out of your CREW membership in 2010? If so, the Programs Committee may just be the avenue, allowing you not only to meet members you may not have had the opportunity to interact with, but also to actively participate in setting the direction of key programs for the upcoming year.

You may not know that the Programs Committee works to keep the pulse on the real estate community through development and delivery of monthly CREW Atlanta programs on educational, timely and informative topics. Current topics, dynamic speakers and the chance to feature women in real estate result in programs that stimulate, inform, and inspire both members and guests.
