2010 CREW Network Winter Council Meeting & Leadership Summit

Strong Chapters Make Successful Members

The theme of the President's message for the 2010 CREW Network Council Meeting & Leadership Summit set the tone for the event. CREW

Network was prepared with many exciting announcements and some great reminders about the resources available to every chapter member. Six CREW Atlanta members attended the event, including Tonya Creekmore, who serves on the CREW Network board and Sally French Tyler, who provided the group with some great insights on being a woman in a "man's world", as the featured luncheon speaker.

Delegates and guests were treated to some great educational sessions, including Grid Leadership Training and branding exercises. ([Click to read more](#))
