January 22 – Not Just another chilly Tuesday in the ATL

Where were you on January 22nd? I hope that you were gathered with your CREW friends at the Cobb Energy Centre to kick off the “New CREW for You” member’s only event! Despite the chilly weather that may have deterred some fellow CREW members from attending, we exceeded our event goal on a per person basis bringing our member contributions to nearly \$35,000! Thank you to all that attended and your generous contributions.

As announced at the event, our big bodacious 2008 goal is \$150,000! We plan to achieve this goal through a combined effort of: 1) Company Giving, 2) Member Giving and 3) Event Sponsorship. Knowing that all members would not be able to attend this one event, our evening laid the foundation for the balance of 2008.

With each coming month, you will see even more momentum build towards achieving our goal as the year progresses. The good news is that prior to the event, we had already raised 33% of our goal...a great start, a great cause, with a great new CREW!

In addition to the entertainment and inspiration of Ed Roland of Collective Soul, Deborah Richardson with Atlanta Women’s Foundation and many others, we spent some time that evening speaking about some of CREW’s new values – one of them being TRANSPARENCY. What we mean by this is that the new CREW is going to focus on our valued members by being more inclusive from the top down.

2008 CREW President, Heather Rich
