18 Carpoolers earn incentives at Jan. program

While many of us have not easily (or legally) utilized the HOV-lanes on Georgia-400 during our morning commutes, we can now participate in CREW's "Green Feet" program through carpooling and taking MARTA to CREW's monthly luncheons. CREW's new green "Green Feet" will take full effect in 2010 and reward participating members both with recognition and incentives.

Consistent with the goals of the Clean Air Campaign, CREW Atlanta's new program is a significant step toward empowering our members to improve participation, to improve air quality and to reduce traffic congestion. **(Click to read more)**
