An Incredible First Year!

Having just experienced the summer solstice (June 20th) the longest day of the year and welcomed the summer season, CREW will take its much needed summer break, while most of you take a summer vacation! The name solstice is derived from the Latin sol (sun) and sistere (to stand still), because at the solstices, the sun stands still in declination; that is, its apparent movement north or south comes to a standstill.

The northern solstice is in June on Earth, when the sun is directly over the Tropic of Cancer. Accordingly, the summer solstice is the first degree of the constellation of Cancer, which for any astrology buffs out there, exemplifies the archetype of The Great Mother—creative, nurturing, protective, and tenacious. From this concept comes philanthropy, the act of selfless giving.

CREW's cup runneth over with Great Mother energy—in all that we do each day in support of our families, professions, friends and hobbies. And to better capture and direct that positive energy, this year CREW embarked on a new "Philanthropic" model. This model asked CREW members to donate to the Atlanta Women's Foundation—an organization that has helped thousands of local women and children in need.

Our original 2008 campaign goal for member pledges was \$50,000—or roughly \$30 per quarter for each CREW member. To date, we have received \$37,500 from

member pledges—or about \$22 per quarter for each CREW member. What a great first-year response we have had from our membership!!

Here are some interesting stats on our philanthropic endeavors to date:

- 18% of CREW Members have contributed personally to the Capital Campaign.
- 20 CREW members have contributed 70% of all money raised.
- These 20 CREW members represent 5% of the Atlanta CREW membership.

As we wind down our 2008 Capital Campaign, we would like to thank all of those who have given. And for those CREW members who have not, it is not too late!! We need contributions of \$12,500 to reach our goal.....or roughly \$40 for each CREW member who has not yet made a donation. And don't forget, these donations can be tax-deductible if made through the CREW Foundation.

Any questions?? Reach out to Leslie Burke or Karrie Westphal. We are happy to help you write those checks or take a credit card number!
